This year's Homecoming theme is "Through the Decades". Students please let your student council representatives know what decade you would like and any specific dress up days you would like to request. STUCO is meeting Friday.

There is a sign up sheet in the cafeteria to work volleyball games. You do not need to be in student council. Only one or two people per game.

FFA dues are \$15.00 and need to be turned in TODAY to Cheyenne Murphy or Mr. Nally.
