BACK TO SCHOOL ISSUE!!!

Greetings from Mr. Tim Conn!

Hello, Mustangs--
welcome back! I am
extremely excited
for a new year at
North Nodaway
Middle School and
High School. This
school year will be
my 9th year at North
Nodaway and my 4th
as Principal.

I would like to
welcome back our
returning faculty
and staff, as well
as introduce new
teachers/staff to our
district. As a familiar
face we would like
to welcome back Mr.
Michael Trautz who
will be teaching high
school math and
coaching several
sports. Mr. Trautz
had coached at North
Nodaway before
finishing his degree
and getting his first
teaching job. Mrs.
Gretchen Wehmeyer
will be teaching MS/
HS Language Arts. It
has been a few years
but Mrs. Wehmeyer
did her student
teaching at North
Nodaway. Another

familiar face to North
Nodaway is Ms.
Elena Bellamy she
will also be teaching
MS/HS Language
Arts. Ms. Bellamy
is very familiar to
our students and
staff as she was a
long term substitute
last year. We would
like to welcome Mr.
Gannon Albrecht who
will be taking over
as the new science
teacher. This will be
Mr. Albrecht's first
year teaching and we
are excited that he
has chosen to begin
his career at North
Nodaway. Ms. Lindsi
Jackson, who has
been with the district
for several years, will
be making the move
down the hallway from
Para-Professional to
PE/Health teacher this
year. Mrs. Heather
Townsend who will
be moving from the
elementary building
this year and will be
teaching MS Math half
of the day and Library
the other half of the
day. We are very
excited to welcome all
our new teachers to
North Nodaway and

look forward to the
school year.

This fall will be
busier than ever
as we have added
Varsity Volleyball. Ms.
Lindsi Jackson will be
the new head coach.
We look forward to
the volleyball and
softball seasons and
cheering on our Lady
Mustangs. Varsity
football will also have
a new head coach
as Mr. Christian
has moved up from
assistant coach to
head coach. We wish
Coach Christian,
Coach Jackson and
all the athletes a great
and healthy season.

Finally I would like
to remind and invite

all students and
especially our 6th
grade students to our
back to school open
house. This event will
be held on August
14th at 6:30pm.
Please stop by,
drop off you school
supplies, and visit
with your teachers.
I would like to say
"Thanks" in advance
to the families and
community members
of North Nodaway for
everything you do to
support our school.
Please feel free to
stop by and I would
be more than happy
to visit about all the
things happening at
North Nodaway MS/
HS.

Elementary Back-to-School Information

Greetings from Mrs. Ashley Marriott

Welcome back to another school year! It's always funny to me how a few weeks of summer break can go by so fast, but it seems to happen every year. We didn't have quite as many big remodeling projects this summer, but you might notice a few face lifts around the building.

Our theme this year will be "Level Up!" Each classroom has chosen a different video game and will decorate their bulletin board with that style and students will be able to 'level up' in different ways throughout the year.

In order "Ready Player 1" we hope you'll join us for Back to School Night on Tuesday, August 14th sometime between 5:00 and 6:00pm. We will be hosting all students and families, open house style, to come and go as they can during this time. We encourage you to meet your teachers and our staff members, put away your supplies and those donated by our PTO, and take a look around the building at any changes you may notice. You may come and go as you please during this time. We will not have an opening meeting at 5:00, as we

felt it was a little rushed and crowded in the gym last year. We decided to keep it more relaxed! We do ask that you plan to bring your calendar again, so that you can sign up a time for midterm conferences in September.

Again this year, we have very few staff changes. The only classroom teacher we have joining us is Mrs. Kadie Howard. Kadie is a Northwest graduate. She is excited to bring her experience in teaching and coaching to the Kindergarten/1st grade Co-Teaching position. With Mrs. Townsend moving up to teach middle school math, Mrs. Wymer has moved to 4th/5th Co-Teacher for this school year. Kadie will be a wonderful addition to our staff and has already been to a number of activities this spring to get to know the kids.

Mrs. Kathy Hansen will also be joining us this year as part of our special education department. Many of you might recognize Kathy from around the building, as she spent much of last year substitute teaching for us. She has been a teacher for 5 years and

is very passionate about autism and helping students overcome any obstacles that stand in their way to success.

New to both buildings will be Mrs. Linda Russell. She will be taking over as our new school nurse. Linda is an LPN with 16 years of experience in nursing, and has even been a school nurse before! She will continue to split time in both the elementary and ms/hs building as in the past.

A familiar face in a different position will be Miss Jackson. She will be taking over as the elementary librarian this year. She is excited to continue her education and teach students the library media standards while continuing to have time working as a paraprofessional.

Lastly, I would also like to welcome Ms. Joanna Pankau to the staff. Joanna is a North Nodaway community member and will work as a paraprofessional here at school. Joanna is highly trained and experienced in teaching, supervising, and caring for individuals with special needs after many years working in residential care.

While she is not

new to the staff, Mrs. Amanda Wonderly will be completing her Parents as Teachers certification and will now be available to work with parents of children ages birth to 5 years old in their homes or here at school. If you have interest in learning more about your baby or toddlers growth and development, having them screened for delays, learning new activities and games, or just taking a break from the constant busy schedule to focus on your kiddo, call the school to setup an appointment with Mrs. Wonderly or Mrs. Marriott at 660.927.3322.

Since there is no pause button on summer, we had better get ready for Challenge Mode! The 2018-19 school year is bound to be one for the high score screen! As always, thank you for your continued support. I am always humbled by the smiling faces, encouraging words, and positive attitudes that walk in the door year after year at North Nodaway. We are proud to Lead the Stampede!

Elementary Registration

Elementary registration for all students, preschool through fifth grade, will be held Monday, August 6th and Tuesday, August 7th from 10:00 A.M. – 6:00 P.M. All elementary families will be required to bring an address verification such as a rental contract, real estate contract, utilities bill/deposit receipt, or other documents such as payroll check, driver's license, or W-4. Also, please remember to bring along any emergency phone numbers as two emergency contacts are required. If you are enrolling a student new to our district, in addition to the above items, please be sure to bring a copy of their birth certificate, Social Security card, and immunization record.

Back-To-School Celebration

The elementary will be hosting a Back to School Celebration on Tuesday, August 14, from 5:00-6:00 at the elementary building. The night will be open house style, to come and go as you please.

Parents as Teachers

Parents as Teachers is a voluntary program offered through local districts through the state of Missouri. The parent educator provides parenting information and age appropriate child development information and activities to parents of children ages prenatal through kindergarten entry. We anticipate

limited Parents as Teachers visits this year due to some state funding cuts.

If you are interested in learning more about Parents as Teachers, want to see if you qualify to participate, or know someone who might be interested, please contact the elementary at (660)927-3322.

Kid's Care

Kid's Care childcare program will again be offered at North Nodaway Elementary. After school hours are until 4:30pm. Children must be signed out each afternoon which they attend.

Kid's Care is available only on days that school

is in session. Kid's Care will NOT be available on days when school is dismissed early due to weather.

Please call the elementary building at (660)927-3322 or inquire at registration if you would like more information.

Birthday Book Club

Happy Birthday to you... At the elementary building your child has the chance to celebrate their birthday with other kids by choosing a book to be placed on the library shelf in their honor. A \$12 donation is all it takes to honor your son or daughter.

Your child will get to choose a book of special interest to them. When it arrives, the child's name and age will be placed inside the book and it will be presented at a quarterly assembly. The book will

be checked out to them when presented so they can be the first one to read it! It is then turned back in to the library so that other students may also enjoy it. It's a fun activity and a great way to get some new books on our library shelves!

You may sign up when you register for school in August or at the Back to School Celebration. All children who choose to participate will celebrate with a treat at lunch sometime during the 4th quarter!

SCHOOL CANCELLATIONS

As we say in Missouri "If you don't like the weather, stick around another day." Weather conditions can be unpredictable, especially during winter. Cancellations, or early dismissals will be announced on the following stations:

Radio: KNIM 97.1
FM-Maryville
KMA 960 AM-

Shenandoah.

A Mustang alert will also be sent out with the early dismissal or cancellation.

To sign up for the Mustang Alerts, please go to nnr6.org and locate the Mustang alert icon on the home page and sign up to receive text messages. Text messages are also sent to remind parents/students about

events, parent/teacher conferences, etc.

The superintendent and bus drivers decide whether school will be in session. It is your decision whether you want your child to attend that day.

REPORTING ABSENCES

In the event that a student is absent from school, parents are requested to call the school by 8:05 a.m.

Elem (660)927-3322

MS/HS (660)778-3315

When a student is reported absent by a teacher, verification of

absence is made. First, a check is made of all absences reported by parents. If no report is made, as a safety measure, the school secretary will telephone parents at home or their place of employment to verify the absence.

MUSTANG ALERTS

Northwest Cell sponsors Mustang Alerts, which allows important information about North Nodaway School District to be sent as a text message to your mobile phone no matter what provider you have. All you need to be able to do is have the ability to receive text messages.

The information that will be sent out includes: school closings, early dismissals, school event reminders, and emergency information.

To sign up visit www.nwmccl.com or www.nnr6.org and click on the Mustang Alert link.

2018-2019 Missouri School Immunization Requirements

- All students must present documentation of up-to-date immunization status, including month, day, and year of each immunization before attending school.
- The Advisory Committee on Immunization Practices (ACIP) allows a 4-day grace period. Students in all grade levels may receive immunizations up to four days before the due date.
- Required immunizations should be administered according to the current Advisory Committee on Immunization Practices Schedule, including all spacing, (<http://www.cdc.gov/vaccines/schedules/index.html>).
- To remain in school, students “in progress” must

have an Immunization In Progress form (Imm.P.14) on file. In progress means that a child has begun the vaccine series and has an appointment for the next dose. This appointment must be kept and an updated record provided to the school. If the appointment is not kept, the child is no longer in progress and is noncompliant. (i.e., Hep B vaccine series was started but the child is not yet eligible to receive the next dose in the series.)

- Religious (Imm.P.11A) and Medical (Imm.P.12) exemptions are allowed. The appropriate exemption card must be on file. Unimmunized children are subject to exclusion from school when outbreaks of vaccine-preventable

diseases occur.

1. Last dose on or after the fourth birthday and the last dose of pediatric pertussis before the seventh birthday. Maximum needed: six doses.
2. 8-12 Grades: Tdap, which contains pertussis vaccine, is required.
3. Grade 8-10: One dose of MCV is required. Dose must be given after 10 years of age. Grade 12: Two doses of MCV are required unless the first dose was administered to a student who was 16 years of age or older, in which case only one dose is required. At least one dose must be given after 16 years of age.
4. Kindergarten-8 Grade: Last dose must be administered on or after the fourth birthday. The interval

between the next-to-last and last dose should be at least six months. 9-12 Grades: Last dose on or after the fourth birthday. Any combination of four doses of IPV and OPV constitutes a complete series. Maximum needed: four doses.

5. First dose must be given on or after twelve months of age.
6. There must be at least four weeks between dose one and two; at least 8 weeks between dose two and three; at least 16 weeks between doses one and three and final dose must be given no earlier than 24 weeks of age.
7. First dose must be given on or after twelve months of age. Kindergarten-8 Grade: As satisfactory

evidence of disease, a licensed health care provider may sign and place on file with the school a written statement documenting the month and year of previous varicella (chickenpox) disease. 9-12 Grades: As satisfactory evidence of disease, a parent/guardian or MD or DO may sign and place on file with the school a written statement documenting the month and year of previous varicella (chickenpox) disease.
